

SMARTT CHALLENGE

Students Making Advancements in Renewable Transportation Technology

SMARTT Challenge
P.O. Box 37807
Raleigh, NC 27627
Phone: 919-818-2377

Email: evchallenge@nc.rr.com

Looking for some serious fun? Join the many volunteers who each year work with students from across the southeast on the SMARTT Challenge. Our program (formerly known as the EV Challenge) was recognized by the US EPA as one of the top environmental education programs in the nation. It offers volunteers a unique chance to work with some of the brightest kids around, while helping to reduce our dependence on foreign oil and clean the environment.
